PRIMARY 1 TRANSITION (2022 – 2023)

## Our School App

# Our School App

- ▶ For day-to-day information, our main method of communication with parents and carers is via our School App.
- ▶ The app allows us to communicate with parents & carers quickly and it avoids letters and leaflets being lost or delayed in transit.
- ▶ Our app enables us to share our weekly calendar with parents and carers and we are able to send out messages too.
- ▶ Permission slips are still sent home to be signed but almost all other items of communication come via the app.
- ▶ You can download the app at any time but information relating to your child's cohort will be posted from August onwards.
- ▶ There is no cost to parents and carers to download or use the app.
